

## Week 10 Jami Velez Homework Submission

Github Link: <https://github.com/jamicakes/Homework-Week-10>

Youtube/Video Link: <https://youtu.be/CegkY4tDiHU>

Thanks,

Have a great day!

Notes - Camera symbol needs

Test it

Test your solution by running `ProjectsApp`. Select "`List projects`". The app should return a list of projects that you have created.

Run `ProjectsApp` as a Java application. Enter "3" to select a project. Enter a project ID.

Now test with an invalid project ID. Run the application. Enter "3" to select a project. Enter an invalid number.
